**6.1.1: The governance of the institution is reflective of and in tune with the vision and mission of the institution**

## Vision and Mission Documents

### **Introduction of the Institution -**

The Institution was established in the year 2007 by the order of Higher Education, Government of Chhattisgarh State. It started in the premises of Govt. Higher Secondary School, Sakti and shifted to its own building in academic session 2014-15. It is situated at Sakreli (Baradwar) on the NH 49 and 12 Km. away from Sakti Tehsil headquarter and about 40 Km. away from district headquarter Janjgir-Champa. This is the only Govt. college of Sakti Tehsil and covers the rural area of this region.

This is a undergraduate college and the programs being offered are in the stream of Arts, Commerce and Science and two post graduate programs in Political Science and Chemistry. The college is having co-education system in which 65% of students are girls' students. About 98% of students are of rural background and belong to SC, ST and OBC category. Seventeen posts are sanctioned in the teaching faculty and out of which only seven posts are filled. Recently a teaching faculty died due to corona virus. Two separate units of NSS, boys and girls are functional in this college. A separate study centre of Pt. Sundar Lal Sharma Open University is also working in the college premises.

As mentioned earlier the college is situated in the rural area and so our stakeholders are from socio-economically poor students but the demand ratio of available seats for admission is much higher. It is about seats for 1 to 10 applicants. The college is committed to fulfil the need of the society in the field of higher education. The result of college is above 90% and it comes under 10th rank of the University's top ten colleges in examination outcomes.

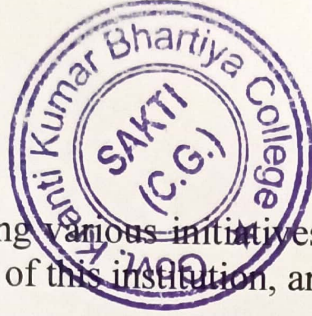

## Vision -

The vision of the college is to serve the social need in the field of higher education and there by uplift the living standard of the rural youth. Adhering not only to local area but also national standards of education and to inculcate in the students a sense of discipline, complete, matured person by imbibing the art of knowledge, compatibility, facing challenges of life and securing desired goal eventually. Student can perform their role in best way and become the responsible members of the society.

## Mission -

The college is taking various initiatives/missions in order to achieve the long term and ultimate vision of this institution, are:-

- To create an atmosphere for students to study with more practical and open minded approach.
- To serve the society and make the students sensible towards it by community service and extension activities.
- To strive hard to acquire resources in the field of teaching learning process.
- To excel in the field of arts, humanities, commerce and science.
- Implanting knowledge with career oriented skills by regular career counselling.
- To create an environment for various competitive examinations by giving books journals, magazine of importance and repute.
- To instil in students the sense of national responsibility to think for the nation building after fulfilling all the career-oriented aspirations.
- An effort to sensitize the students in particular and through them the society in general about green practices and environmental protection.
